

ViewFleet

Service Manage System

ViewNet RMA service management system med online kunde login så kunden selv kan følge med på servicestatus og drift på deres respektive skærme.

ViewFleet service management system håndtere alle ViewNet Direct View LED skærme rundt i europa og skandinavien. Med PN nummer styring på alle LED moduler og skærme. ViewNet har knap 6.000 LED moduler på lager i Sønderborg som alle er styret af dette system.
